1. Teams selected for fixtures in week commencing 9th July.
2. KW: Report received that at the Open Pairs Competition on 24th June a near miss injury occurred when a visiting bowler from Gosforth Empire caught his foot in the drainage ditch at the north end of the green. No serious injury occurred and the bowler did not wish to make a complaint. The annual Health and Safety reports to the council since 2015 have pointed out the urgent requirement for the safety hazard to be resolved. A similar incident also occurred in 2016. The NCC Central Health & Safety team manager, John Froud, has been contacted and advised of the concerns of the Club. He will arrange for the Blyth Health & Safety manger, Peter Judd, to contact the Club with a view to resolving the issue. KW will compile a near miss report concerning the latest incident.
3. The Ken Appleby Trophy competition will take place on Sunday 8th July.
4. No further business. Meeting closed at 11.00am
